

Requirements of Occupational Health & Safety Regulations 2001

In All Cases, the person purchasing plant/equipment with the intention of using it should satisfy themselves of the condition prior to purchasing it. The Purchaser should also ensure that they satisfy their obligations with respect to the condition of the goods prior to using it at a place of work or leasing or hiring it for use at a place of work.

Under common law and OH&S acts, regulations and code of practice, there is a requirement for the plant/equipment owner, employer and operator to exercise a duty of care in the safe operation and maintenance of the plant/equipment. Accordingly before the item of plant/equipment is supplied to, or used at any workplace it must be inspected to ensure it is in a fully operational, safe and serviceable condition and that operators and maintenance personnel are appropriately trained in the use and maintenance of these items of plant/equipment. The purchaser must satisfy themselves as to the condition of the goods prior to bidding, as the goods have not been tested by our staff as displayed by 'Not Tested' sticker.

The item of plant/equipment is being sold in an 'as is' condition with known and unknown safety hazards. No physical testing has been conducted unless stated otherwise. We do not intend to provide information on, nor warrant the mechanical, electrical or structural condition of the item of plant/equipment. The item of plant/equipment should be further assessed, tested and inspected or dismantled as necessary to gauge any further hazards and/or risks relating to Specific Workplace Use, which are currently unknown, in accordance with relevant standards, regulations and acts.

Persons under the age of 15 years will not be permitted on site unless accompanied and supervised by an adult at all times.

It is a condition of entry to site that all visitors comply with directions given by South Coast Auctions Pty Ltd Staff, their Representative or the Site Controller.
